Re: Blanco Catering and the Botanic Gardens Restaurant

We are pleased to commend Blanco Catering and the Botanic Gardens Restaurant and acknowledge their credentials within the tourism sector. As caterers Blanco Catering have been award winners at the Restaurant & Catering Awards for Excellence over many years since 2003.

They continue to provide excellence in service delivery to the local and conference market. They have gone above and beyond for their clients and are recognised for their commitment to customer service and staff development.

South Australia's Business and Tourism events are key to the economic growth of our state so we are proud to recognise Blanco Catering as our Caterer of the Year and Botanic Gardens Restaurant our Best Contemporary Australian City Restaurant for 2015.

Their continued commitment to excellence has rewarded them with a number of industry awards and allows them to showcase their brand alongside South Australian food & beverage. This aligns with the Tourism Australia Restaurant Australia campaign that brings our produce and hospitality to the world.

Again we are proud to commend the team at Blanco Catering and the Botainc Gardens Restaurant.

Yours sincerely,
